INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
ARROW SECURE TECHNOLOGY PRIVATE LIMITED

Report on the Audit of the Financial statements

Opinion

We have audited the accompanying financial statements of **ARROW SECURE TECHNOLOGY PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss (including other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted the audit of financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted Company.

Information Other than the financial statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Director's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Board of Directors for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (IndAS) and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Audit (SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system, in relation to the financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management;
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial statement of the Company to express an opinion on the financial statements.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.

We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 197(16) of the Act based on our audit, we report that the Company has not paid any remuneration to its directors during the year. Therefore, the provisions of and limits laid down under section 197 read with Schedule V to the Act are not applicable to the Company. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
3. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the accompanying financial statement;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of change in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Rule 7 of the Companies (Account) Rules, 2014.

(e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the director is disqualified from being appointed as a director in terms of Section 164(2) of the Act ;

(f) With respect to the adequacy of the internal financial controls over financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on adequacy and operating effectiveness of Company's internal financial controls over financial reporting.

4. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations as at 31st March, 2023 which would impact its financial position as at 31st March, 2023.

ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Funds of the Company for the year ended 31st March, 2023.

iv. a) The Management has represented that, to the best of its knowledge and belief no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The Management has represented that, to the best of its knowledge and belief no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly,

lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures performed that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) of Rule 11(e) mentioned above contain any material mis-statement.

v. The Company has not declared or paid dividend for the year ended 31st March, 2023

vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from 1st April, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.

"Annexure A" to the Independent Auditors' Report of even date on the financial statements of ARROW SECURE TECHNOLOGY PRIVATE LIMITED

Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the financial statements of the Company for the year ended March 31, 2023:

- 1) a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant & equipment.

B. The Company has maintained proper records showing full particulars of intangible assets.

b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has a phased programme designed to cover all items over a period of 3 years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

c) According to the information and explanations given to us and the records examined by us, we report that the title deeds of immovable properties as disclosed in the financial statements are held in the name of the Company.

d) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) during the year.

e) According to the information and explanations given to us and based on our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, the provisions stated in paragraph 3(i)(e) of the order is not applicable to the Company.
- 2) a) The Company does not carry any inventory during the entire year and therefore the provisions stated in paragraph 3(ii)(a) of the order is not applicable to the Company.

b) The Company does not have a working capital limit in excess of Rs 5 Crores sanctioned by banks based on security of current assets. Accordingly, clause 3(ii)(b) of the order is not applicable.

- 3) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not granted loans to Companies, firms, limited liability partnerships or any other parties covered in the register maintained under Section 189 of the Companies Act, 2013 during the year.
- 4) In our opinion and according to information and explanation given to us and based on audit procedures performed, the Company has complied with the provisions of section 186 of the Companies Act, 2013. The Company has not granted any loans, made investments or provided guarantees or securities to parties covered under section 185 and 186 of the Companies Act, 2013.
- 5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- 6) In our opinion and according to the information and explanations given to us, the Central Government has not prescribed maintenance of Cost records per the provisions of Section 148 of The Companies Act, 2013.
- 7) a) According to information and explanations given to us and based on our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Goods and service tax, Income-Tax, Duty of Customs, Value Added Tax, Cess, Provident Fund, Employees State Insurance and other material statutory dues with the appropriate authorities.
- b) According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2023 for a period of more than six months from the date on when they become payable.
- 8) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

9)a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings or in payment of interest thereon to any lender.

b) Based on the information and explanation given to us, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.

c) In our opinion and according to the information and explanations given to us, no money was raised by way of term loans during the year. Accordingly, clause 3(xiv)(c) of the order is not applicable.

d) In our opinion and according to information and explanation given to us and on an overall examination of the financial statements of the Company, no funds were raised by the Company on Short Term basis which have, prima facie, been utilised for long term purposes. Accordingly, clause 3(xiv)(d) of the order is not applicable.

e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its associates. The Company does not have any subsidiaries or joint ventures.

f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its associate.

10) a) Based upon the audit procedures performed and the information and explanations given by the Management, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, the provisions of clause 3 (x)(a) of the Order are not applicable to the Company and hence not commented upon.

b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares (fully, partially or optionally) or convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

11) a) Based upon the audit procedures performed and the information and explanations given by the Management, considering the principles of materiality outlined in the Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.

b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. In view of the above reporting under clause 3 (xi) (b) of the order is not applicable.

c) To the best of our knowledge and according to the information and explanations given to us including the representation made to us by the Management of the Company, there are no whistle-blower complaints received by the Company during the year.

12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.

13) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.

14) In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013.

15) Based upon the audit procedures performed and the information and explanations given by the Management, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of Section 192 of the Act are not applicable to the Company.

16) a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clauses 3(xvi)(a) to 3(xvi) (d) of the Order are not applicable.

b) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

c) The Company is not a part of any group (as per the provisions of the Core Investments Companies (Reserve Bank) Directions, 2016 as amended). Accordingly, the requirements of the clause 3(xvi)(d) are not applicable.

17) The Company has incurred cash losses of Rs 18 (in '000) in the current financial year and Rs 19 (in '000) in the immediately preceding financial year.

18) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts upto the date of the audit report and we give neither any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20) In our opinion and according to the information and explanations given to us, provisions of Section 135 of the Act are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the order are not applicable.

"Annexure -B" to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **ARROW SECURE TECHNOLOGY PRIVATE LIMITED**("the Company") as of 31st March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over the financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over the financial statements reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial

reporting included obtaining an understanding of internal financial controls over financial reporting assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial statements with reference to these financial statements including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting, and such internal financial

controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ARROW SECURE TECHNOLOGY PRIVATE LIMITED

Notes to Financial Statements for the year ended 31st March, 2023

(All amounts in Indian Rupees in thousand unless otherwise stated)

1 Company Information

The Company is mainly in business of trade in all types of security products /security equipments.

2 Significant Accounting Policies

A Compliance with Indian Accounting Standards (Ind AS):

a) These Financial Statements (hereinafter referred to as 'Financial Statements') of the Company, have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under section 133 of the Companies Act, 2013 ('the Act') read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and accounting principles generally accepted in India. These financial statements were authorized for issue by the Company's Board of Directors on 27th May 2023

Functional and Presentation Currency

These financial statements are presented in Indian rupees, which is the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest thousand, except otherwise indicated.

Basis of measurement

These Financial statements are prepared under the historical cost convention unless otherwise indicated.

Use of Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/ materialise. Estimates and underlying assumptions are reviewed on an ongoing basis.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the accounting policies.

- Useful lives of property, plant, equipment and intangibles (Refer note 3)

- Measurement and likelihood of occurrence of provisions and contingencies (Refer note E & F)

B Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

- i) Sale of goods: Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. Sales are net of value added taxes, excise duty and GST.
- ii) Dividend income is accounted for when the right to receive the income is established. Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.
- iii) Insurance and other claims, where quantum of accruals cannot be ascertained with reasonable certainty, are accounted on acceptance basis.

C Property, Plant and Equipment, Depreciation and Impairment:

i) Property, Plant and Equipment

Property, Plant and Equipment are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost of Property, Plant and Equipment includes taxes, duties, freight, borrowing cost, if capitalization criteria are met and other incidental expenses incurred in relation to their acquisition/ bringing the assets for their intended use.

Subsequent expenditures related to an item of Property, Plant and Equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Gains or losses arising from derecognition of plant, property and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The Company has elected to continue with the carrying value of all its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101.

ARROW SECURE TECHNOLOGY PRIVATE LIMITED

Notes to Financial Statements for the year ended 31st March, 2023

(All amounts in Indian Rupees in thousand unless otherwise stated)

ii) Depreciation:

Depreciation on Property, Plant and Equipment has been provided on written down value basis and manner prescribed in Schedule II to the Companies Act 2013.

D Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss after tax for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

E Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

F Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

G Cash and cash equivalents

Cash and cash equivalent in the Balance Sheet includes cash on hand, cheques on hand, cash at bank, other short term, highly liquid investments with original maturity of three months or less that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalent includes cash on hand, cheques on hand, cash at bank, other short term, highly liquid investments with original maturity of three months or less that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value and overdrawn bank balance.

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future cash receipts or payment and item of income and expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated

H Financial instruments

Initial recognition and measurement

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

i) Financial assets amortised at cost

A financial asset is subsequently measured at amortised cost if it is held with in a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments principal and interest on the principal amount outstanding.

ARROW SECURE TECHNOLOGY PRIVATE LIMITED

Notes to Financial Statements for the year ended 31st March, 2023

(All amounts in Indian Rupees in thousand unless otherwise stated)

iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

iv) Financial liabilities

Financial liabilities are subsequently carried at fair value through profit and loss. For trade payables and other liabilities maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of financial instruments

Financial asset is derecognized when the contractual rights to the cash flows from the financial asset expire or is transferred and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognised when the obligation specified in the contract is discharged or cancelled or expires.

Fair value measurement

The Company measures financial instruments such as investments, at fair value at each Balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) in the principal market for the asset or liability, or
- b) in the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active market for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosure, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

I Current-non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within 12 months after the reporting date; or
it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months
- d) after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

ARROW SECURE TECHNOLOGY PRIVATE LIMITED

Notes to Financial Statements for the year ended 31st March, 2023

(All amounts in Indian Rupees in thousand unless otherwise stated)

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within 12 months after the reporting date; or

the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of

- d) equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

J Income Tax

Income tax expense comprises current tax and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates items recognised directly in equity or in OCI.

The income tax expense or credit for the period is tax payable on the current year's taxable income based on the applicable income tax rate adjusted by change in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the reporting date. Current tax comprises of expected tax payable or receivable on taxable income/loss for the year or any adjustment or receivable in respect of previous year. Management periodically evaluates position taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amount expected to be paid to the tax authorities.

Deferred tax charge or credit and corresponding deferred tax liabilities or assets are measured using the tax rates and laws enacted / substantively enacted at the balance sheet date. Deferred tax assets are recognized and carried forward only to the extent that there is a reasonable certainty, except for carried forward losses and unabsorbed depreciation which is recognized based on virtual certainty, supported by convincing evidence that the assets will be realized in future against future taxable profits.

Carrying amount of deferred tax assets are reviewed as at each balance sheet date and are appropriately adjusted to reflect the amount that is reasonably or virtually certain to be realised against future taxable income.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

K Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

18 Ratio Analysis

Particulars	As at March 31, 2023	31st March, 2022	% Variation	Reason for variation
Current Ratio	1.54	2.72	-43%	Refer note 2
Debt Equity Ratio	NA	NA	NA	Refer note 4
Debt Service Coverage Ratio	NA	NA	NA	Refer note 4
Return on Equity Ratio	-57%	-37%	52%	Refer note 1
Inventory Turnover Ratio	NA	NA	NA	Refer note 3
Trade Receivable Turnover Ratio	NA	NA	NA	Refer note 3
Trade Payable Turnover Ratio	NA	NA	NA	Refer note 3
Net Capital Turnover Ratio	NA	NA	NA	Refer note 3
Net Profit Ratio	NA	NA	NA	Refer note 3
Return on Equity Employed	-79%	-46%	73%	Refer note 1
Return on Investment	NA	NA	NA	Refer note 5

Reason for variation

1. Loss is in line with PY but Net worth, Capital Employed decreased in comparison to previous year.
2. Trade payable has increased by more than 100%, this has resulted in reduction of current ratio.
3. These ratios are not applicable/measurable as company doesn't have turnover.
4. These ratios are not applicable/measurable as company doesn't have borrowing
5. This ratios is not applicabl/measurable as company doesn't have investments in financial assets viz mutual funds, fixed deposit etc.

Numerators and Denominators considered for the aforesaid ratios:

Ratio	Numerator	Denominator
Current Ratio	Current Assets	Current Liabilities
Debt-Equity Ratio	Total Debt	Shareholder's Equity
Debt Service Coverage Ratio	Earnings available for debt service *	Debt Service **
Return on Equity Ratio	Net Profits after taxes – Preference Dividend	Average Shareholder's Equity
Inventory turnover ratio	Sales	Average Inventory
Trade Receivables turnover ratio	Revenue from Operation	Average Accounts Receivable
Trade payables turnover ratio	Adjusted Expenses	Average Trade Payables
Net capital turnover ratio	Sales	Working Capital
Net profit ratio	Net Profit	Net Sales/Income
Return on Capital employed	Earning before interest and taxes	Capital Employed ***
Return on investment	Return from Investment (Interest, Dividend, Gain/Loss)	Investments

* Earning for Debt Service = Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations +

** Debt service = Interest & Lease Payments + Principal Repayments

*** Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax Liability

20 Financial Instruments - Accounting Classifications and Fair Value Measurements

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced of liquidation sale.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and cash equivalent, bank balances other than cash and cash equivalent, trade receivables, trade payables, other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

As at March 31, 2022	Carrying value			Total	Fair value
